

Black Onyx

Durcon Signature Core Colors for Epoxy Resin Products

Durcon® offers Epoxy Resin worksurfaces and products in a popular selection of signature core colors. This includes Black Onyx, Graphite, Gray, Tan, Dark Khaki and Lunar White. Custom and special order colors are also available.

To learn more and request samples, either by individual color or the full selection of core colors, please get in touch with a Durcon representative via email at samples@durcon.com, or by phone at 512.595.8000. Send contact information, color choice(s), and quantities needed, and a Durcon representative will be happy to fulfill your request.
